"You'll Be Delighted with Your Dental Experience, or It's FREE!!!"

“I personally promise to use my gentle approach to restore, reshape and whiten your teeth to reveal your gorgeous smile. You will find my gentle and caring approach erasing all your fears and concerns about your dental care. Our emphasis is on your complete comfort. At MaconSmiles, we offer no shot, no drill, no numb lip Laser Dentistry options. I've been known for doing dazzling “Smile Makeovers” since before they were on TV, and take great personal pride in providing you with friendly, caring and experienced staff with over 72 years combined experience. You'll get 5 star service including neck and massage pillows, cozy blankets, your choice of TV or music to make your visit comfortable. And finally, I personally promise you will be thrilled with all your dental work, or I will keep working until you are! This is my commitment to your complete satisfaction on every visit.”
